

MATTHEW S. PEREZLUHA

Cyber Security Analyst

 6208 Rime Village Drive Apt. 220
Huntsville, AL, 35806

 (407) 388-4979

 matthew.perezluha@gmail.com

Cybersecurity professional with newly acquired skills in network security from the University of Pennsylvania. Talented Cybersecurity Analyst focused on network security. Offering strong communication and technical abilities. Desiring to gain entry-level position with room for growth and advancement. Retired U.S. Navy Petty Officer First Class with 20 years' experience in the intelligence community conducting both national and tactical cryptologic operations.

Work History

● Cyber Security Analyst

Quantum Research International, Huntsville, Alabama

- Identify points of vulnerability, non-compliance with established Information Assurance (IA) standards and regulations, and recommend mitigation strategies
- Write authorization and accreditation (A&A) documentation and ensure the systems are operated and maintained in accordance with these security plans
- Enforce the design and implementation of trusted relationships among external systems and architectures
- Support security planning, assessment, risk analysis, and risk management for client systems and programs
- Interface with user community to understand their security needs and implements procedures to accommodate them.
- Ensure that user community understands and adheres to necessary procedures to maintain security.
- Conduct accurate evaluation of the level of security required.
- Provide status reports to Security Administration Manager and program management.
- Assist with security event monitoring, correlation, and daily event reporting within a tiered Security Operations Center.

● Teacher

School District Of Philadelphia, Philadelphia, United States

- Creates a classroom environment that is conducive to learning and appropriate to the maturity and interests of students.
- Guides the learning process toward achievement of curriculum goals and objectives as indicated in lesson plans for lessons, units, or projects assigned.
- Employs instructional methods and materials that are most appropriate for meeting lesson objectives.
- Evaluated and revised lesson plans and course content to facilitate and moderate classroom discussions and student centered learning.
- Enhanced student learning by optimizing wide range of instructional approaches and innovative classroom activities.

● **Intelligence Analyst**

CACI, Homestead, FL

- Provides signals intelligence support for strategic and operational-level planning, joint and multi-lateral training exercises, and strategic engagement policy throughout Areas of Operational Responsibility (AOR) and Areas of Interest (AOI).
- Researches, compiles, evaluates and integrates Signals Intelligence into Intelligence Community assessments and reports, and based on US National and theater priorities.
- Performs link-and-nodal analysis, data mining, and metadata analysis utilizing geospatial analytical techniques; presents SIGINT findings utilizing visualization applications.
- Collected information about enemy strengths, movements and activities.

● **Intelligence Analyst**

United States Navy, Jacksonville, FL

- Led team in performing all-source intelligence research and analysis for target development in support of various mission partners' objectives which resulted in 100% mission readiness.
- Utilized report authoring software to perform detail-oriented analysis, reporting, and quality control of multiple SIGINT reports, resulting in greater target awareness.
- Devised all-source analytic collection and social network analysis strategies to understand and pursue targeted networks and systems of interest.
- Oversaw intelligence analysis and reporting efforts providing first echelon near real time intelligence to commanders within the Western Pacific area of responsibility..
- Routinely briefed Chief of Site and other dignitaries on adversary posturing and actions.
- Authored, reviewed, and disseminated over 1000 time-sensitive and analytic reports.
- Supervised gathering, review and dissemination of intelligence information from human sources, electronic sources, and counter-intelligence.

Education

- **Cybersecurity Bootcamp: Cybersecurity**

University of Pennsylvania - Philadelphia, PA

- **Bachelor of Science: Business Administration**
Columbia College - Columbia, MO
- **Associate of Arts: General Studies**
Carroll Community College - Westminster, MD
- **Certified Homeland Security - Level V**
- **Teaching Certificate: Education**
Seminole State College of Florida - Sanford, FL

Certifications

- Security+
- Currently enrolled in COMPTIA Pentest+ Certification Program
- Florida Certification in K-12 Exceptional Student Education
- Florida Professional Teacher Certification
- Florida Certification in Middle Grades Mathematics
